Ecuador relief fund has \$3895 which includes \$298 from Gabriela's garage sale money and \$1500 from the Waupun club. Thanks Waupun!

The Ecuador Relief grant committee will meet at Energy Center at 7am on Monday morning, May 23. All are welcome

Peggy and Tony are making a presentation at the District Conference this weekend. The District Governor has asked them

to talk about our Community Grants... why and how we do them.

Gabriela will be speaking at Richland Center next week about herself and Ecuador.

Student Rotarians hosted today's meeting. We played a game called Kahoot where we were given multiple choice questions about the students: where are they going to school, what is their major, etc. The students said that even they learned things about each other that they didn't know. We all had fun and really enjoyed the pizza, too.
