Happy bucks. Rux, Wedig, T., Zalucha, P., Prochaska, Theisan, Bollig, Giler,

Gabriella went to Portland with her host family and had a great time. She will be leaving for Ecuador on Saturday morning at 5am. Her favorite days were Wednesdays so she could come to the meetings and be with all of us. (The food is great.) She loved the programs and learned a lot. She is so grateful to Rotary and to the club for giving exchange students such a wonderful opportunity.

Come to the Good-bye party for Gabriella at Steinhauers, tomorrow night (Thursday)... it's a desert party from 7 to 9. All Welcome!

10K report: about 20 tickets left. We can start to get things for the silent auction and deliver them to Mound City Bank.

Correction: The District Matching Grant is for the Water Filtration plants in Ecuador not in Guatamala (as mistakenly reported in the last Norsk News.)

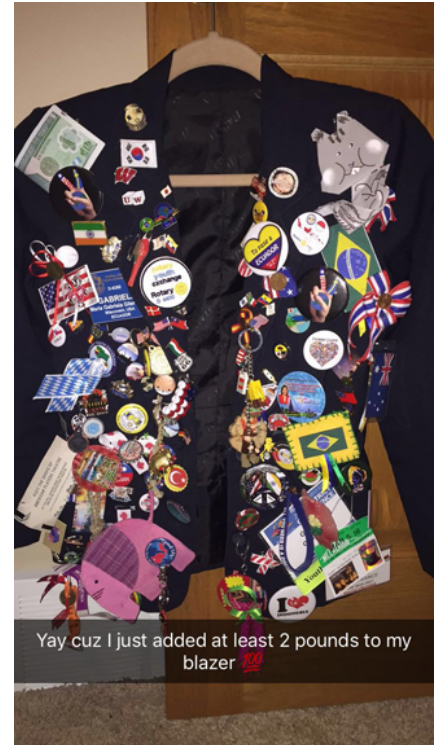

Dianne Gordon's guest is Deputy Josalyn Longley, Emergency Preparedness Officer for Dane County. She talked about considering our own work spaces and how to be prepared for shooting events. She showed a video of barricading a door and how to become a hard target. Did you know that you can "text" 911. She stressed that "if you see something, say something". It is important to practice and be mentally prepared for something to happen. It's too bad that the world has come to this but it is best to be aware.
