

The Rotary Club of Carpentersville would like to thank you for your past support in our fundraising efforts. We are currently looking for sponsors for a unique blind beer tasting event featuring local breweries. We are making efforts to host a safe outdoor event where beer enthusiasts can sample 16 beer samples and vote for their favorites. Awards will go out to the top brewers in four beer categories. The format is picnic in the park style and servers will bring beer flights to you. We will also have live music to enjoy.

### Fundraising event

Our club is a group of volunteers from the Carpentersville and Dundee area putting on this event to raise funds for local and international causes. The majority of our funds go to local causes which affect kids and families—including the FISH Food Pantry, Boys and Girls Clubs of Dundee Township, and Friends of the Fox River. A small percentage also goes to a clean water project in Mexico. For details about all of the causes we support, visit our [cause page](#) on our website.

## Your sponsorship makes a huge difference

Sponsorships are essential to our community as they pay for winter coats for kids in Carpentersville, meals and supplies for those in our area that are in need, and even clean water for families that would not have it otherwise. We will do our best to make this a one-of-a-kind event that you won't forget.
