

Easter Dinner Baskets

We need your help!

On the Saturday before Easter, we will be donating baskets to families in need in the Carpentersville area.

Our goal is to donate over 50 baskets. Each basket will range from \$35-\$40 and should contain all of the items illustrated on the right.

ANY HELP IS WELCOME

We will be grateful accepting any donation—full baskets, single items, or money to purchase items. Feel free to share with any people or organizations that would like to help.

RSVP BY APRIL 13
