## People of Action

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to implement sustainable projects. From literacy and peace, to water and health, we are always working to better our world, and we stay committed to the end.

Rotary Club of New Braunfels offers opportunities to our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our local community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members are also able to regularly network, resulting in lifelong friendships and business connections.

Our club, one of 35,000+ worldwide, is a proud part of the greater New Braunfels community and of Rotary International. We are community and business leaders representing different professions, experiences, and perspectives, all with a shared desire to connect with others to address the challenges affecting our local community, and communities around the nation and the world.

## Making a Difference

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a better and more peaceful place.

Rotary's motto is "Service Above Self," and each year Rotary Club of New Braunfels participates in dozens of service projects, fundraisers, disaster relief efforts, and volunteer opportunities in our local community, as well as nationally and internationally. Some recent examples of how our club is working to make a difference include:

- Hurricane disaster relief in Lake Charles, Louisiana
- New Braunfels Food Bank assistance and food distribution
- Wheelchairs donation and distribution in Zacoalco, Mexico
- Annual Hill Country Craft Brew Festival fundraiser
- Community blood drives
- Downtown New Braunfels public restroom project
- Salvation Army holiday red kettle bell ringers
- Annual Wurstfest kartoffelpuffer booth fundraiser
- TXDOT Adopt-A-Highway Program
- Habitat for Humanity home builds
- Clean water projects in Mexico

Rotary Club of New Braunfels also provides much needed funds to dozens of local non-profits each year through our Charitable Contributions Program, and provides scholarships to local high school seniors through our Scholarship Program.

## Get Involved

Rotary Club of New Braunfels is always looking for new members who are interested in serving our community. Our club is extremely active and quite large at over 150+ members. Our two annual fundraisers, dozens of service projects, club committees, special projects, and club socials provide our members many opportunities to serve and make an impact, not only locally, but nationally, and around the world.

If you are interested in joining Rotary and already know a member, ask them to invite you as their guest to a weekly lunch meeting. If you don't know anyone in our club, contact the club president or membership chair by email via our website, [NewBraunfelsRotary.org](http://NewBraunfelsRotary.org), and inquire about membership.

After fifty-five years as a Rotarian, I can truthfully say Rotary has become a way of life. Opportunities abound in areas of fellowship, service, and leadership for any Rotarian who actively participates in this international organization. I encourage anyone who desires a life of 'Service Above Self' to become a part of a local Rotary Club.
