Our speaker today Sal Gentile receives the honored" Noon Cup of Thanks" from President Ray, for his informative talk today on tinnitus.

Sal who is a veteran, and former IBM executive, a self proclaimed athlete has lived with severe Tinnitus and hearing loss for over the past seven years.

He is known nationally as well as internationally for his support strategies that help people with Tinnitus, increase their quality of life.

He conducts a volunteer tinnitus support group her in The Village on the fourth Thursday of every month.

This disease can be so debilitating, as to preventing people from even going out of their homes. Hearing aids can help but are not the final answer, the good news is that the appears to be help coming through research that may be available within ten years...

Go to ata.org for more information on this problem.

# Rotary Foundation receives highest rating from Charity Navigator for 11th year

**Rotary International** 

For the 11th consecutive year, The Rotary Foundation has received the highest rating — four stars — from <a href="Charity Navigator">Charity Navigator</a>, an independent evaluator of charities in the U.S.

The <u>Foundation</u> earned the recognition for demonstrating both strong financial health and commitment to accountability and transparency.

"We are extremely honored to be recognized," says Foundation Trustee Chair Ron Burton. "It represents the hard work and dedication of countless Rotarians throughout the world. They know their gifts will be used for the purpose for which they were given and that they will, indeed, make a real difference."

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.

This is what we want people to feel, when they come in our doors.

The Four Way Test
Of the things
We think say or do

- 1. Is it the truth?
- 2. Is it <u>fair</u> to all concerned?
- 3. Will it build goodwill and better Friendships?
- 4. Will it be <u>beneficial</u> to all concerned?
- 5. Will it be FUN?
