Today was story time, what we use to call "Classification Talks" one of the ways you can get to know your fellow Rotarians.

Nancy Malm one of our newer Rotarians was the first to go. She and her husband Leslie both attended college in the Boston area, Nancy going to Boston University and her husband went to Tufts University. She taught School in Braintree Ma. , and worked with head start , later teaching "children of the desert" when hubby was stationed overseas. She learned to fly back in 1953 and was one of the first women to learn to fly corporate Jets and flew for the Steel companies.

Kris Kollgaard Grew up in California and Michigan, worked for awhile for Ford Motor Company . Moved to Florida and went to work for the Police Department in Tavares and was one of the first women to make sargent. She went on to work undercover drug task force. She was married and has two daughters and two grandsons (the light of her Life) .Kris became a police officer in Lady Lake and is now The Town Manager.

Sit with these two Rotarians some time and learn more fascinating stories.

Today got off to a good start, with President Ray leading us in The Pledge followed by our thoughts for the day by Jeremy Difiore.

Later came the “laugh of the day” by Jerry Brillante, boy have we been missing those, a joke a day—helps the laughter make the troubles go away.

Happy Dollars were administrated by Doug Mintz, and well done bringing in those happy and sad dollars, they all mount up to help others through out the world.

We are pleased to welcome two new “Honorary Members” Irving Locker and his wife. Irving as you may know played an important part on June 6 Th. invasion of Normandy on Omaha Beach during WW2.

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

We think say or do

The Pot Grows and the cards diminish, so if you want to miss a meeting, go ahead, that gives the rest of us a better chance to win.

There are only 22 cards on the table, that is all that is left between you and the pot. Today the draw was not the Joker, the Joker is waiting for you next week.

NOW UP Over \$580.00 is still up for grabs

The Jack was drawn, the Joker is still waiting for you.
