## Roclarion

## February 5, 2019

Our speaker today was Roslyn Franken author of the inspirational book "Meant To Be"

The unforgettable and moving story of her parents, not just your normal parents ,her mother survives the gas chambers at Nazi concentration camps , not just once but three times. Her father was on Nagasaki when the A-Bomb was detonated , but because he was a prisoner working in mines below ground , he also survived. She goes on to tell how the met and that the term " Meant To Be " best describes their outlook on live, never give up also describes this couple and their daughter.

**Meet our newest Paul Harris Fellow, Randy Bayliss, Randy joined a fellowship of fellow Rotarians, in becoming a Paul Harris Fellow for the second time, designation Paul Harris plus 1, Randy's contribution helps to fund the work of The Rotary Foundation, providing funds to carry on the projects around the globe , that Rotary International is involved with, that one local club could not handle alone.**

Dear Mr. Abraham,

Thank you for giving *hope and joy* to children with serious illnesses. At Camp Boggy Creek, children whose lives have been a series of medical procedures and hospital stays are empowered to do things they never thought possible. -Enclosed is a piece of artwork made by our Campers especially for you, our Campfire Partner! A camper parent recently shared the following:

*"My daughter experienced the best time in her life! I never doubted that she would be safe and loved, but she also made friendships that will last a lifetime. Thank you for giving my daughter her childhood."*

Because of your support, Camp Boggy Creek brings the joy of camp to these courageous children while providing a sense of comfort and well-being for parents and caregivers. On behalf of our Campers, **Thank You** for believing in our mission!

*Best wishes to you and your family for the New Year!*

With Gratitude,

June Clark  
President & CEO

Dear Bob: The Rotary Club of the Villages Noon,

I am writing to thank you for your generous donation of \$800.00 to help fund the GED exam for our students. Your gift will have significant impact for many students that would not be able to afford the exam otherwise.

Thank you for your continued partnership and for all you do for Lake Tech and our students.

Sincerely,  
DeAnna Thomas  
Assistant Director

## The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?
