Barbara James introduces our speaker today from The Ronald McDonald House charities of Central Florida , Tonya McEver who is the Community Partnership Manager of RMHC. She talks from experience as her own son , who was born 4 months prematurely and stayed at the Ronald McDonald House for 6 months while he was in NICU. She tells us of how much it meant to her and her family to be together during these trying times and how much it means to be able to help other families with the same needs as she and her family had. RMHC has three campuses in central Florida and can serve up to 75 families at their facilities with back up accommodations at local hotels.

Tonya is a fellow Rotarian and went on to speak on some of the needs that they have such as: Gift Cards for gas, groceries and home improvement, stamps , umbrellas, milk bread and eggs ,coffee K-Cups, cereals and snacks, pre package meals toilet paper etc. all of which we take for granted.

For more information on their needs check out the web site at:

[www.rmhorlando.org](http://www.rmhorlando.org).

President Elect Danielle Stroud tells us about the awards received when she completed her President Elect training at PETS, and introduces us to next years theme.

President Ray displays the two of the banners PE Danielle brought back from PETS, they represent our 100% participation in the Polio Plus campaign and Every Rotarian Every year donations to the Rotary Foundation. Proud moments for our club and our leader President Ray.

## The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?

4. Will it be beneficial to all concerned?
