Our speaker for today was Dick Belles a Trustee of The SECO Electric Cooperative here in the Villages . Dick has served on the SECO board of directors for six years . He went on to tell us that SECO was started in 1938, long before The Villages was even a dream.

Did you know that the SECO has 12,000 miles of transmission lines and for the most part here in the Villages they are underground that they maintain. They serve Sumter County with 205,000 accounts and have 48 substations. A not for profit Electric Provider,the SECO plant having a value of 808 Million dollars

They are the largest Solar provider in Florida with the SECO plant having a value of 808 Million dollars.

Our speaker Dick Receives the Villages Noon cup of thanks from President Ray.

The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?
