The speaker today was Glenn Stein, the owner of Realty Executives in the Villages. He started in real estate in 2000 and has sold over 1,000 properties. He became a broker in 2004 and built Realty Executives, which has 80 agents with a gross volume of \$350 Million dollars Glenn has been a Rotarian since 1997 and is the past President of the Ocala Rotary Club (which is the oldest club in Florida) , he also served as Past area Governor for District 6970.

He talked about how it use to be that the best time to sell in the area was during the season, but now that the population has grown , any time is a good time to market your home . He talked about how prices on homes above Route 44 are more likely to increase.

He said that new homes resale are often slower to increase, the number of days on the market for resale in The Villages is 19-59 days. He is seen here receiving his certificate, that lets him know that as part of our assistance to the Anti Bulling program, a donation is made in his name , with a photo and name being sent to the Moon.

Message from the President:

Hello Everyone! I am very excited to be your 2019-2020 Rotary Club president and look forward to the many great things we will do together this year. First and foremost – thank you in advance for your service and dedication to our community! Throughout the year you will hear me share a lot about our club goals and the ways in which we can continue to grow the club and make meaningful connections. This year's theme of Rotary Connects The World is very fitting and I want to make sure it is the undertone of everything we do. As we embark on a great year we will be focusing on creating a more robust membership retention program, attracting some of The Villages Young Professionals to the club, showing the numerous benefits of being a Rotarian, increasing the visibility of what we do in the community, and add opportunities for socialization amongst our club as well as the surrounding clubs. I look forward to journeying with you, should you ever want to chat, I'm always here –

Danielle Stroud

FOR IMMEDIATE RELEASE**Rotary Club of The Villages Noon Supports Anti-Bullying and Sends Speakers to the Moon**

(*The Villages, FL*) July 18th, 2019— Last week The Rotary Club of The Villages Noon took their first photo that will be sent to the moon. In partnership with the *Pledge Against Bullying*, a program run and operated by students in Leesburg, FL, and under the leadership of Rotarian David van de Velde, a digital photo of each of our speakers will be launched into space in the fall of 2020 in a Falcon Heavy Rocket. The launch of the rocket is part of the Moon Landing project. Supporters of the Anti-Bullying campaign can make a contribution and in turn send data to the moon. It was a unique and creative way to bring awareness to the anti-bullying campaign, as well as raise funds to support the *Pledge Against Bullying*.

After hearing a presentation on the anti-bullying campaign, the Rotary Club of The Villages Noon wanted to get involved and started brainstorming on ways to help out. This July 1st marked the change of leadership for the Rotary Club of The Villages Noon, along with over 33,000 Rotary clubs amongst 200 countries, as it is the start of their new fiscal year. Excited by the success of the anti-bullying campaign and the impact it is making on local students lives, the new Board of Directors decided to thank every speaker the club hosts throughout the year by making a donation in the speakers honor to the *Pledge Against Bullying* program. Along with the donation, a photo of each speaker will be placed on a microSD chip and shot off to the moon.

"We are proud to be able to honor our community speakers with a donation to the anti-bullying campaign in their name" says Danielle Stroud, President of the Rotary Club of The Villages Noon. "the fact that they get to go to the moon is really cool too! It seemed like a meaningful way to say Thank You."

The Rotary Club of the Villages Noon meets every Tuesday at the Waterfront Inn and regularly welcomes guests. As an investment in the health and well being of our future generation, they also welcome others to join them in supporting the *Pledge Against Bullying*.

Rotary Club of The Villages Noon is one of 33,000 clubs of Rotary International. The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders. They believe in Service Above Self and welcome others who wish to join them in these endeavors.
