Today we had the pleasure of hearing from Carol Millwater , seen here receiving the coveted "Rotary Noon Cup of Thanks" for being our speaker .

Carol's career has been spent in working in the nonprofit sector advocating for children and adults, she is the Executive Director of the of Lake -Sumter County Medical Society as well as the Executive director of We Care of Lake County..

They work with free and sliding scale clinics throughout Lake County, to get specialty medical care for people who qualify for their services.. Such as Resident of Lake County, No health Insurance, be 18-64, prove financial need and be a legal resident of the USA.

Established in 1994 We Care is a free standing non-profit organization dedicated to helping people get back on their feet , so that they can again become productive members and get their lives back.. See next page for one of the ways they help and so can you. For more info visit web: www.wecarelakecounty.org

We Care...We Share

Helping people heal, rehabilitate and recover.

Through We Care We Share we make your donations of medical equipment available to others who are in need. We accept gently used and new durable medical equipment (wheelchairs, walkers, hospital beds, bedside commodes, shower chairs, etc.) and supplies (nebulizers, wound care, incontinent briefs and more) making them available to people who may not otherwise be able to afford expensive devices and supplies for their physical recovery. (We reserve the right to refuse equipment that is not in working condition.)

You can help! We are grateful to community partners as well as individuals for equipment donations. Investing in We Care We Share with cash donations helps us to purchase new equipment, such as patient lifts and pediatric wheel chairs.

- No one is denied medical equipment, regardless of age, gender, race, financial status or place of residence.
- Minimal paperwork, no qualifying necessary.
- Living with illness or convalescing from an injury or surgery, We Care We Share is here to help!

Please call for availability of equipment and to arrange drop-off of your DONATIONS.

We Care of Lake County is grateful for partial project funding from
The Lake County Board of County Commissioners
and the United Way of Lake and Sumter Counties.

Working together we build hope, provide dignity and save lives.

We Care of Lake County, a 501 (c)(3) not-for-profit, EIN 59-3275830, has been helping people since 1994.

The Pot Grows and the cards diminish, so if you want to miss a meeting, go ahead, that gives the rest of us a better chance to win.

There are only 36 cards on the table, that is all that is left between you and the pot. Today the draw was not the Joker, the Joker is waiting for you next week.
