President Ray gets us started with a pledge to the flag, this meeting was club assembly and President Elect Danielle spoke to us about the importance of input, and asked us to fill out the survey we all received, as an e-mail. We were given hard copies and asked to fill them out and give them to her. Also to give the names of whom we think should receive awards at the banquet.

We were led in song by "Birthday Boy" Tony and followed up by "A moment of Reflection" by Jeremy Difiore. We followed that with some committee reports Dick Kaynan, reported that we still need some help on July 3 2019 event at Wildwood Community Center for the Celebration and Show. Rotary has pledge to help park cars and will have a information booth there.

Did you know that we are #1 in the District, for our Polio Pulse Donations of close to \$3,000 and that we have given over \$11,000.00 the Rotary Foundation this year, Tracy also reported that we will be having 6-8 new Paul Harris fellows soon .

The Installation Dinner is moving along, we are currently at 30 + , so if you haven't signed up yet, do so very soon. If you are a new member please sign up , you can learn a lot about your Rotary Club and your fellow Rotarians.

We are pleased that Fruitland Park Elementary School , honored our workers for their participation in 'The All Pro Dads ' program, Which is held once a month on Thursdays and starts at about 07:30 AM, that's right fellow Rotarians, that's in the , while most of us are just getting started. Chairman Bob Bredin and his crew are hard at work. Thanks For all you do.

Did You Know?

“ The Rotary Peace Fellowships program has brought together students from all over the world who have a deep-seated passion for making this world a better place. They have studied subjects such as the protection of human rights, diplomacy, peace-building, conflict resolution and mediation, and are clearly committed to the idea that positive change is possible. I am sure that many of them could gain high-flying jobs in the private sector which pay very well, but Rotary Peace Fellows usually choose the harder road, seeking justice and peace by working in the field, often in small non-profit organizations, to make a difference to our world. They are quite simply, inspiring”

—- Marianne Hanson, director of the Rotary Peace Center, Queensland University.

The Following are a list of the eight schools around the world :

Rotary Sponsor's 10 new Rotary Peace Fellows who enter a two year program every year. The Trustees of The Foundation committed \$2 Million dollars to support the Rotary Peace Centers during the six year pilot program., this program started in 1999 when the Trustees Chair Luis Giay appointed the Rotary Centers Implementation Group to work through 2002 to establish the program.
