Barbara James, introduces our speaker for today, Marcia Barber a fellow Rotarian and soon to be our Assistant Governor. Her talk today is not about Rotary but instead she gives us incite into the Girl Scouts of America 's current thinking, in this days ever changing world. She first goes into how similar The Girl Scouts are to the Basics of the Rotary. There are over 1.18 Million girls in scouting, membership is 25 Dollars (with scholar ships available to cover those who's families would find it difficult). This organization is truly a building block for our future leaders. There are currently no plans to change the organizations method of operation. After her talk she answered any questions, most were about the change in gender status in the Boy Scouts and if the same was going to happen with the Girl Scouts. The answer is no!

**Bobbi Steele –Marotta receives a Paul Harris Fellowship, PHF +1
well deserved Bobbi.**

Doug Mintz does a great job of getting the meeting going with words to reflect upon, after we all sing “God Bless America” and recite the pledge to the Flag.

Did You Know?

Rotary and the UN.

Rotary International was one of 42 organizations invited to serve as consultants to The U.S. delegation to the United Nations Conference on International Organization in San Francisco in 1945. Each organization had seats for three representatives — one “consultant” and two “associate consultant.” Rotary International’s eleven representatives served three times in rotation.

Rotarians from many other countries also attended the conference as delegates of consultants. Today, Rotary International appoints Rotarians to act as special representatives to the United Nations and its other agencies and publicizes its value as an advocate for Peace.

Rotary is only one of the two organizations to hold seats at the United Nations the other is The International Red Cross.

President Ray will be going out with a sad heart as well as a sigh of relieve, knowing he has done his job and done it well. He will be handing over the reigns of the club to President elect Danielle, who will carry the Banner of Rotary for the next year.

Let's all get on the band wagon and sign up for the dinner and show our support for a job well done and let's find out what Danielle has planned for us for next year.
