Barbara James program chairperson, introduces our speaker Arthur Clothier, Sumpter County Forrester. Who tells us that there is 17.2 Million acres of forest land in the State of Florida and that is 1/2 of the total land area in all of Florida. He also told us that the forest produces 15.3 million dollars of revenue for Florida and that there are 721 jobs as a result of forest product production. We also learned that although we personally were not hit by the hurricane, the loss of revenue to the 2.8 million acres of forest in the panhandle is 1.3 billion dollars , with a reforestation cost of 1/4 of a Billion dollars. Local Fire Fighters and Foresters fought over 3,000 fires on about 163.500 acres last year.

President Ray presents the coveted "Noon Cup" to Forrester Clothier, for an informative talk with our thanks.

Membership Chair Dennis Tobin, swears in two of our latest members, and welcomes aboard , John Frolio with Bill Brant Auto Group and Sharon Rivenback with The Villages Hospital wound care.

You can meet some interesting people
at our Rotary Meetings,
do you know who this is?

The Pot Grows and the cards diminish, so if you want to miss a meeting, go ahead, that gives the rest of us a better chance to win.

There are only 25 cards on the table, that is all that is left between you and the pot. Today the draw was not the Joker, the Joker is waiting for you to start over again next week.

NOW UP Over \$592.00 and still up for grabs

**Golf.
Fun.

One of Rotary's best kept secrets!

Golfers are placed in divisions by handicap. There are gross and net score national champions. Stableford scores are used for division awards.

- Play challenging and different courses
- Sharpen your game with friendly competition with golfers of a similar skill level in handicap divisions
- Travel to different venues in the U.S. & Canada and meet Rotarians from all over North America and the world
- Compete for prizes and awards
- Develop new and lasting friendships
- Exchange home-and-home golfing with other members
- Compete in individual and team competition
- Players of all levels are welcome
- Sightseeing and shopping tours available for non-golfers
- Members receive the annual newsletter and access to a directory of members and their contact information.

Once you come to one, you won't want to miss any in the future.

Annual Dues: \$25, Lifetime Membership: \$250
