Youth services chairman Bob Bredin our speaker of the day Myra Johnson. Who talked about her trip to Germany last year as a member of the Districts Group Study Exchange program, which takes people who are working in various vocations and send them to another district, in another country, to spend approximately with an exchange of a group from that country coming to our area. Myra is a Teacher at the Fruitland Park Elementary School.

Her theme for the talk was what the GSE team concept is all about, the third point within the "Four Way Test", "

"WILL IT BUILD GOOD WILL AND BETTER FRIENDSHIPS"

from the many stories she told and the people she met, it seems this program that has been part of Rotary for a long time, is working.

The Rotary Foundation's Group Study Exchange (GSE) program is a unique cultural and vocational exchange opportunity for business people and professionals between the ages of 25 and 40 who are in the early stages of their careers. The program provides travel grants for teams to exchange visits in paired areas of different countries.

For four to six weeks, team members experience the host country's culture and institutions, observe how their vocations are practiced abroad, develop personal and professional relationships, and exchange ideas.

**The Four Way Test**  
**Of the things**  
**We think say or do**

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?

## Health Update

I visited with Arthur at Buffalo Crossing Rehab and he seems to be doing better, also the word on Bud Mangels is that he is doing well, but because of the treatments he is getting, his immune system is weak and he does not wish to take a chance with contacting too many people.

or you or a family member is going in  
the hospital for any reason, let us know!!!**

## 38<sup>TH</sup> NATIONAL VETERANS WHEELCHAIR GAMES

### WHAT?

Attracting more than 600 athletes each year and 4,000 volunteers, the National Veterans Wheelchair Games is the largest annual wheelchair sports event in the world. A multi-event sports and rehabilitation program for military service Veterans who use wheelchairs for sports competition due to spinal cord injuries, amputations or other neurological disorders.

### WHEN & WHERE?

**JULY 29 – AUGUST 4, 2018**

All events will take place in the Orlando area.

### WHY?

The Orlando VA Medical Center and Paralyzed Veterans of America Central Florida Chapter are committed to improving the quality of life for Veterans with physical disabilities and fostering better health through sports and recreation.
