Past President Tracy Belton , an enthusiastic supporter of Boggy creek, introduces our speaker Sharon Couture, Foundation and Corporate Relations Officer of Camp Boggy Creek.

We were pleased to be able to present a check for \$6,100 dollars to her for Camp Boggy Creek, due to the results of The "Carols By Candlelight " show put on through the efforts of the Rotarians of our club and the cast, spearheaded by Alex Santoriello and his crew.

This money will help to send children with severe medical issues to a camp for a week. The Camp is set up to be able to handle their needs and still allow them to feel like kids and have fun, so many do not get that chance in their so called "normal lives".

I was pleased to be part of the group of about 18 Rotarians and partners who on Saturday had a tour of the camp by Sharon, her love for her job and also the warmth and love of the staff was so apparent and made the tour extra special.

If you ever want to get to Camp Boggy Creek contact Sharon or Tracy and I am sure they can set up a tour.. **Story on page two.**

Mission

To foster a spirit of joy by creating a free, safe and medically-sound camp environment that enriches the lives of children with serious illnesses and their families.

Camp Boggy Creek is a proud member of SeriousFun Children's Network. Founded by Paul Newman, SeriousFun Children's Network is a growing global community of independently managed and financed camps and programs creating opportunities for children with serious illnesses and their families to reach beyond illness and discover joy, confidence and a new world of possibilities, always free of charge.

Camp Boggy Creek is specifically designed for children with chronic or life threatening illnesses and allows them to safely enjoy the activities of a "traditional" camp. Between early morning swims and evening campfires, children whose lives have been a series of medical procedures and hospital stays are transformed into just "kids." They have a chance to be with others coping with the same illness or condition and realize that they are not alone.

Camp Boggy Creek is a permanent, year-round facility where children ages 7 through 16 with chronic or life-threatening illnesses and their families can come to Camp at no charge to them. Camp Boggy Creek provides a safe and exciting camp experience for children from throughout Florida suffering from:

- Arthritis / Rheumatic
- Asthma (severe)
- Cancer
- Craniofacial
- Diabetes (family retreat weekend only)
- Epilepsy
- Heart
- Hemophilia / Bleeding disorders
- Immune Deficiency
- Gastrointestinal Illnesses
- Kidney
- Sickle Cell
- Spina Bifida
- Transplants
- Ventilator Assisted Care (family retreat weekend only)

Programs at Camp Boggy Creek include week long summer sessions as well as family retreat weekends and each includes full medical coverage with on-site professionals in the illness specialty being served.

The Club's Rotary Foundation Chair Bud Mangels, reminds us if this is your birthday month, it is time to think about your annual contribution to the fund. Bud will accept your donation and see that you get proper credit.

In a discussion Bud and I talked about the Pennies for Polio idea, that is at the end of Ech night when you empty your pockets take the change and put it aside for polio Plus. Bud will collect the coins once a month, you can put the coins in a sandwich bag with your name on it and Bud will see proper credit is given. The Four Way Test

Of the things

We think say or do

- 1. Is it the <u>truth</u>?
- 2. Is it <u>fair</u> to all concerned?

3. Will it build goodwill and better <u>Friendships?</u>

4. Will it be <u>beneficial</u> to

all concerned?

5. Will it be FUN?
