Andre Nacaxe

Our speaker today was Congressman Daniel Webster serving the 11th Congressional District. He came by to let us know what is going on in Washington.

He talked about the bipartition bill that was passed drawing a line as to just how far Syria can go before we say enough is enough. He also talked about how he is working with others to help reduce the taxes that are paid by businessman who took their business out of the country but want to bring it back. How money that maybe saved by increasing the work force here can help to fuel the repair of our infrastructure.

He and his staff made available a brochure that explains his mission statement.

It states that the mission is to serve and provide our community with respected and principled representation.

They pledge to provide first-rate constituent service and to provide sound public policy to best serve West Central Florida.

Working together to protect veterans, and seniors, create jobs, turn-off the spigot of spending, and transform how Washington works are top priorities.

Questions: The Villages office Phone is: 352-383-3552

April 23 Danielle Stroud

April 26 Jan Hemmingway

Meet our newest Paul Harris Fellow

The award is being presented by Dick Kanyan to Chuck.

Chuck Solm's joined Rotary in 1992, has preformed duties as Sargent at arms and is a sustaining member and just received his 2nd Paul Harris Fellow pin today. He lives in the Villages and works as an ambassador for the Village Golf .

Those who serve you and can still smile.

The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?

Easter Egg Hunt 2017

Rotary makes amazing things happen, like:

Strengthen the ability of communities to develop, fund, and maintain sustainable water and sanitation systems.

Provide equitable community access to safe water, improved sanitation, and hygiene.

Support programs that enhance communities' awareness of the benefits of safe water, sanitation, and hygiene.

Support career-minded professionals' studies related to water and sanitation.

Create tools and resources that facilitate, measure, and enhance high-quality water and sanitation projects worldwide.
