Our speaker today was Larry Dolan , immediate past President of the Leesburg Evening Rotary Club. He talk about how beautiful it was 9in Costa Rica and how he enjoyed his vacation there with his family, did you know that Costa Rica is only 2 and a halve hour flight from Orlando?

While he was there he had dental implant work done , the facilities where clean and the price was a lot less than here in the United States. He was able to have a two week vacation and have the dental work done , all for the price of what it would have cost him to just have the implants done here in the United States. Can you imagine the fact that he had a vacation for 3 two weeks and dental implants, plus save almost \$4,000.00 dollars over the cost of the same work done here in the U.S.

While Lay=rry is not a dentist or anything connected to the trade as he is a financial adviser, just feels strongly about the Costa Rica dental Program.

Barbara James introduces our speaker to a nice group of interested Rotarians.

Have you thoughts on a speaker let

Barbara know.

A good summer time group.

President Donny leads us in the 4 way test.

Do you now it ?, it is located on the next page

## The Four Way Test

### Of the things

### We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?

## Random Thoughts.

What if my dog brings back the ball because he thinks I like throwing it?

If poison expires. Does that mean it is no longer poisonous?

## RLI-SD, we teach LEADERS about ROTARY

At RLI, our purpose is to give you the necessary tools and skills to be better Rotarians. As in every endeavor, the more you know about anything, the more interesting it becomes. Rotary is most assuredly one of those areas that the more you put into it, the more you get out of it. RLI can make that possible for you. Graduates of RLI are more likely to remain in, and be a bigger part of Rotary, than any other demographic.

RLI is a great place for newly inducted Rotarians to quickly learn about the "Object of Rotary". Club Officers can build on their Rotary Knowledge to enhance their club experience. Club Presidents can expand on the skills gained at their President Elect Training Seminar. Long time Rotarians can re-kindle the old Rotary flame, and at the same time share their experiences with the other participants.

The Pot Grows and the cards diminish, so if you want to miss a meeting, go ahead, that gives the rest of us a better chance to win.

**There are only 45 cards on the table that is all that is left between you and the pot.**

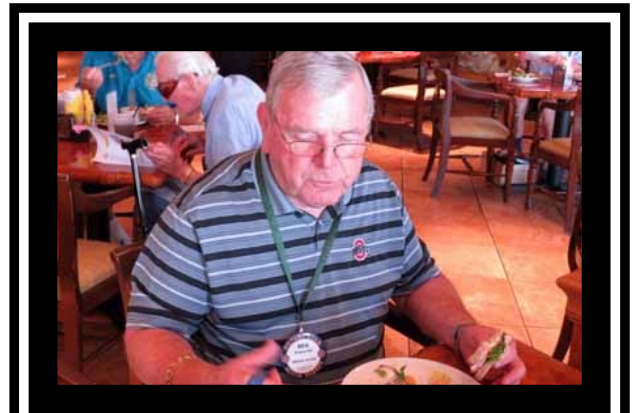

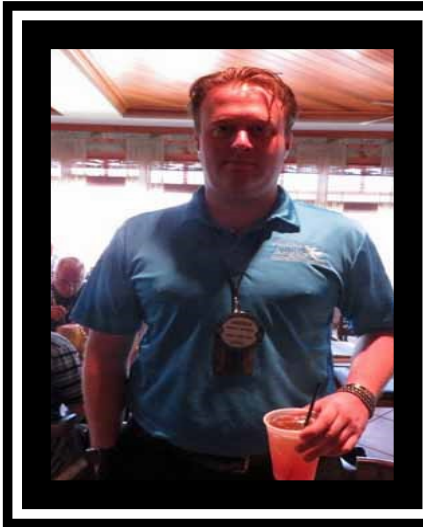

**Bob Agnew says better luck next week.**

Dear Mr. Tanner,

Thank you for your special gift of \$2,500.00. Your generosity is truly appreciated by all the children and families who will be served at Camp Boggy Creek this year.

As you know, Camp Boggy Creek is a magical place for children from all over Florida who have been diagnosed with serious illnesses. When a child has a serious illness, every family member is affected.

That is why, thanks to you, the camp is also available year around. In addition to our summer sessions, children can bring their entire family with them for special retreat weekends together. They enjoy fun activities including fishing, horseback riding, arts and crafts, and so much more. Here's what one of our campers recently shared:

*"What makes Camp Boggy Creek so incredible is that we can all be OURSELVES. There's no need to feel like I have to hide my scars and I can be silly! Everyone can express thoughts and feelings without being judged."*

Thank you for bringing hope and joy to these courageous children, as well as their entire family, through your faithful support of Camp Boggy Creek!

Warm regards,

*June*

*Thank you for
