We started our new era of to a great start, President Danielle presented our speaker of the day Michelle Dean with a certificate from the antibullying program we support sending her picture to the moon.

As the Master Teacher of United Way of Lake and Sumter Counties, she works in the early childcare classrooms to provide hands on training for the teachers in their own classrooms. The teachers earn a 45-hour certificate upon completion of the twenty-day program. She feels blessed to work with providers in the Lake and Sumter County areas .
