Many Hands Make light work! How many times have we heard that in our life time? Another great one is - Get on board because the Team Train is leaving!

Friday 2-17 at 6 pm the Rotary Team Train went to work setting up the Contractors Show Case. I was surprised how fast it went together, in less than an hour we had that place dressed and ready for the Vendors. Dick Kanyan- Engineer of the Rotary Team Train was the Last one out of the Door at 8 pm. I believe he was the first one in the door at day light the next day! At roughly 8:30 am Saturday all of the Vendors were in the building and ready for business. Darlene Saal gave the contractors a Motivational speech. Then the Rotary Team Train went into action Parking Staff - ticket takers - prize givers and informational staff were in place and ready as the first villager walked through the door at 9 am . At 1 pm the contractors started tearing down - once again Dick and his R.T.T. went to work and by 2:30 we were leaving the building.

There is also one more saying - Develop a plan then work that plan! Thank you Dick for the great plan and thank the R.T.T. for all your hard work. Now we have one more job - one we work so hard for - to support our charities by giving our hard earned dollars.

Thank for all you do!
Prezz . Tanner

The Start of Something Big?

Tom Studer makes the rounds with the "drawing bucket".

Well, I guess not , that doesn't look like a joker to me, that's the card not the players

A special thanks for all those who stood out side and parked the cars.

The Four Way Test Of the things We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?

This is another chance to see our own Alex Santoriello and it also in part benefits Rotary, but even if it didn't, we need to support our own, and there is nothing wrong with having a great time at the same time.

We all should get behind Alex, as he brings his Broadway skills to the Villages.

When Irish Eyes are smiling it sets your heart a glow.

Our **Ken Mc Bride** is preforming here at TheVillages at the Sea Breeze Recreational Center on April 1, 2017.

You all had a good time when he preformed for us at the Holiday Party grab a friend and see Ken again.

Rotary bringing the world to Atlanta in June

Bill Gates to keynote convention

ATLANTA, Ga. (Feb. 14, 2017) – Rotary's 108th annual international convention June 10–14 is expected to attract 40,000 Rotary club members from over 160 countries, and will inject an estimated \$52.3 million into Atlanta's economy.

TO All Rotarians,

Just a heads up for Saturday April 8.

Once again our club will have the putting green at this event. We are in need of a couple of volunteers to help run this event.

Our team meets to set up at 9 AM and the event last till 12:30. We should be done including putting away the putting green by 1 PM. Can you help this year? Contact by Don Maddox for more information and to sign up to help.

"What Rotary will be one hundred years hence, none living can imagine. There is nothing impossible to Rotary now."
