At the American Cancer Society, we're on a mission to free the world from cancer. Until we do, we'll be funding and conducting research, sharing expert information, supporting patients, and spreading the word about prevention. All so you can live longer — and better. That is the goal of the American Cancer Society and the story that was told to us at this weeks meeting by Katrina Baggett, Community manager for Relay For Life. For more info on Relay for life or the American Cancer Society check out the flyer on page 11 you will see that it is being held at the Village's Polo Field on April 14th starting at 1PM .

Did you know that The American Cancer Society and their partners have invested over 5.6 Billion Dollars so far in research.

We think say or do

38TH NATIONAL VETERANS WHEELCHAIR GAMES

WHAT?

Attracting more than 600 athletes each year and 4,000 volunteers, the National Veterans Wheelchair Games is the largest annual wheelchair sports event in the world. A multi-event sports and rehabilitation program for military service Veterans who use wheelchairs for sports competition due to spinal cord injuries, amputations or other neurological disorders.

WHEN & WHERE?

JULY 29 – AUGUST 4, 2018

All events will take place in the Orlando area.

WHY?

The Orlando VA Medical Center and Paralyzed Veterans of America Central Florida Chapter are committed to improving the quality of life for Veterans with physical disabilities and fostering better health through sports and recreation. Over the years, the Games have produced a number of national and world-class champions. However, the event provides the opportunity for newly disabled Veterans to get involved and push further than they thought possible. Typically, one quarter of the competitors are new to the Games.

OUR EVENTS:

Competitive events at the National Veterans Wheelchair Games include swimming, table tennis, weightlifting, archery, air guns, basketball, boccia, nine ball, softball, quad rugby, bowling, handcycling, trapshooting, wheelchair slalom, power soccer, a motorized wheelchair rally, and track and field. Athletes compete in all events against others with similar athletic ability, competitive experience, or age.

Free. The public is most welcome.
