Ours is a very active club. We have multiple fundraisers, service projects, charities, and causes that we support.

As a Rotarian it is important that you attend meetings consistently and fellowship with our members. However, it is also more important to get involved in the work of our club.

The heart of any club is at the committee level. That is where our work is done. We have many areas of focus and projects that suit your preferences, strengths and abilities. I urge anyone who is not actively part of a committee or two to get involved and volunteer.

Many hands make light work and in such an active club you may be part of more than one committee depending on the projects we are planning that season.

Thank you for your hard work and commitment to our club and the community. On the next page you will find the mission statements for each of our committees.

Mission Statement for Club Committees

Fundraising- One of the most active arms of our club. Focuses on raising money to fund our annual budget and club expenses, as well as our charitable causes. Fundraising events include Carols by Candlelight Christmas Spectacular, Contractors Showcase and Lifestyle Show, Pancake Breakfast, Rack Cards and Belk Charity Days.

Public Relations – Create and implement a plan to tell Rotary's story to the public and promote our club projects and activities in our community and other communities that we serve.

Membership – Actively attract and engage members and retain current members. Develop and implement an action plan for membership development. Identify members of our community who are a good fit for our club.

Foundation – Advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

Youth Services Committee - "Our committee exists to help others. Our task is to direct our clubs accumulated charitable funds to deserving recipients. Recipients include students, schools, families and communities. We do so with honesty, integrity and smiles consistent with our Rotary motto, "SERVICE ABOVE SELF." LIFE IS GOOD and we want to make it even better for our recipients."

Service Projects – To help meet real needs in our community and to make a difference in the communities we work in. Utilize funds and club members' time to benefit those in need and while working on projects, it will provide an opportunity for networking and socializing among club members.

Club Administration - Performing logistical tasks that make club meetings successful and run smoothly. Develop agendas, or programs, for all club meetings. Provide regular updates on the status of club projects, activities members can get involved in, and community concerns that the club could address. Fellowship and Family of Rotary are very important in addition to socializing, networking, etc. Special dates, weeks, and months are used to observe various Rotary programs.

The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?
