Our speaker today was John Corneille, Director of Giving for The Foundation Fighting Blindness, seen here receiving his certificate stating that his picture will be going to the moon as part of our program to Help Fight Bulling.

The Foundation Fighting Blindness was established in 1971 by passionate group of families driven to find treatments and cures for inherited retinal diseases that were affecting their loved ones.

Little was know about inherited blindness when Foundation was established.

Funding has been a driving force behind the progress toward cures including more than 270 genes linked to retinal disease, and the launch of 35 trials for potential treatments.

John talked about the many challages of losing your sight as an adult. John answered question that many had , it was a very informative talk. If you would like more information:

## The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
