38TH NATIONAL VETERANS WHEELCHAIR GAMES

WHAT?

Attracting more than 600 athletes each year and 4,000 volunteers, the National Veterans Wheelchair Games is the largest annual wheelchair sports event in the world. A multi-event sports and rehabilitation program for military service Veterans who use wheelchairs for sports competition due to spinal cord injuries, amputations or other neurological disorders.

WHEN & WHERE?

JULY 29 – AUGUST 4, 2018

All events will take place in the Orlando area.

WHY?

The Orlando VA Medical Center and Paralyzed Veterans of America Central Florida Chapter are committed to improving the quality of life for Veterans with physical disabilities and fostering better health through sports and recreation. Over the years, the Games have produced a number of national and world-class champions. However, the event provides the opportunity for newly disabled Veterans to get involved and push further than they thought possible. Typically, one quarter of the competitors are new to the Games.

OUR EVENTS:

Competitive events at the National Veterans Wheelchair Games include swimming, table tennis, weightlifting, archery, air guns, basketball, boccia, nine ball, softball, quad rugby, bowling, handcycling, trapshooting, wheelchair slalom, power soccer, a motorized wheelchair rally, and track and field. Athletes compete in all events against others with similar athletic ability, competitive experience, or age.

Free. The public is most welcome.
