## **July 16, 2019**

President Danielle starts us off with the Pledge Allegiance to the Flag followed by one Jeremy's readings (a copy is on page 5), one of the most thought provoking so far. Madame President introduces us to a new for Rotary, "Hug—High-Fives or Handshakes", after going around the room, she went on to talk about this being Rotary's monthly focus on the theme of Education. She also talked about how the Board of Directors, decided that instead of passing out Rotary Noon logo cups, that we instead will be honoring our speakers with a photo in space. This will also help The Leesburg Rotary and The Anti-Bullying campaign. How sweet is that we honor our speakers and help give more support to Anti-Bullying at the same time. It is really a "WIN-WIN" program.

President Danielle also talked about The Rotary Citation given for a criteria of items to be accomplished by a Rotary Club. All that and we inducted two new members and had a "Getting to Know You" talk by Andrea Bonivich, as well as three members of the Board of Directors giving their committee reports. I would say we had a lively and jam packed meeting. I hope you were there, if not I hope I was able to cover at least the high lights.

## Meet The Newbies

Bob Agnew, the new membership chair for our club, does the honors today and bestows membership on two new members, Dianne Boos and Andy Couckuyt, you can tell his not afraid of public speaking

First off we had the pleasure of inducting Dianne Boos formerly with the Rocky Point Long Island Rotary Club, Dianne is / was an educator, she told us about the program they had on Long Island that mentored developmentally challenged children. She told how heart rendering it was and how satisfying at the same time. Dianne and her husband have a daughter that is a Major in the United States Air Force , Diane has been coming for about a month now and is happy to now be a member of The Noon Rotary Club of The Villages.

Second I know you all thought he was a member but, in true Rotary fashion Andy wanted to finish some Rotary work he had started in his home district. We got him now officially, I am sure it was a proud moment as his wife pinned on his membership badge, We have them both officially now. Andy and Charlie have been active participants in our club for a long time and during tax season the volunteer to help with taxes.

Give both new members a hearty handshake and welcome when you see them.

## Getting to know you better

Meet Andrea Bonivich , her talk began as she told about growing up near Pittsburgh Pennsylvania she studied paralegal courses at the CSI School of Business and attended Bob

Hougue School of Real Estate where she found her true calling, she is a realtor here in the Villages for Realty Executives of The Villages.. Andrea first joined Rotary in Pittsburgh, transferred to the Gulf Beaches Club before moving to The Villages. Her husband Dan is retired

Andrea is also a founding member of the Wesley Chapel Club, there are now three clubs in that area now. She also talked about when she and her husband were host to an exchange student from Belgian and how rewarding it was and all the good times they had together.

She has graciously stepped up to be The Public Relations Chair for our Club, way to go Andrea.
