Judge Paul L. Militello County Judge for Sumter County seen her receiving the “Coveted Noon Cup” from President Ray Levy at Tuesday’s meeting.

Judge Miltello was nice enough to answer questions about various subjects asked from the group.

He advised us that golf cart rules and automobile rules are the same , driving under the influence, not stopping at stop signs .

He made us more aware of the court system and how it works and just how full our county jail is.

We learned about the different divisions of the court and what qualifies your appearance in each one.

Now that Sumter County is growing the courts are busier than ever.

We were told that there is legislation to double the size of the current facility from 500 beds to 1,000 and that it is much needed.

This was also club assembly day so the Judge kept it short and sweet.

Thanks. For the information delivered so well and compactly.

President Ray along with President Elect Danielle , preform the pinning ceremony for our newest Paul Harris Fellow Bruce Solow, when you see him congratulate him.
