July 11 2017

We were please to have District Governor Jerry Mobley and Assistant Governor Mike Vernon as our guest today.

The District Governor did triple duty today as he installed our newest member, help present our newest Paul Harris recipient our, new President Elect Ray Levy, and then went on to tell us his story.

He started off talking about the Rotary Magazine, most especially this months issue and how it could become an aid for membership (if you have not looked yet, try it you'll like it).

Governor Mobley spoke about the 50th club coming into the District and what a mile stone that is.

We all joined in on a discussion of the things we do within our club and how we are working with children and he youger adults in the local schools and colleges, one of which is a ROTARACT club at the Sumpter College and the scholarships we give at Lake Technical College.

Future Programs

July 25th

Club Assembly

get you committee assignments

Members: 21

Visiting Rotarians and guests: 6

Total attending: 27

July Birthdays

07-03 Jim Richards

07-06 Lynn Bartlett

0712Riny Vandeeberkt

07-14 Bill James

07-18 Marsha Solms

07-19 Byron Engen

07-19 Andre Nacaxe

07-20 Roger Bradley

07-21 Cheryl Curinga

07-29 Gerri Crane

Our newest member Susan Hunter is installed by Linda McMahon as her sponsor Ray Levey stands by with President Donny Abraham over sees the proceedings.

Have you seen our flag collection lately, if you notice the USA flags, those are from the shelter box projects we have done, by the way this is only a small collection of our banner collection. These flags or banners are exchanged when you visit a club other than your own, see Don Maddox to get one of ours to exchange on your next visit home or on a trip.

The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?

Our newest Paul Harris Fellow is given his pin and certificate by the District Governor Mobley while President Donny and Assistant Governor Mike Vernon stands by. Congratulations Ray. A new member and a Paul Harris in one day

Our Clubs leaders for the new Rotary Year, Past President Bill , President Elect Donny, District Governor Mobley Assistant Governor Vernon.

That the leadership putting their heads together so that we can have another great Rotary Year, doing what we do best helping others, educating youth and supporting both the local and worldwide community,

The Pot Grows and the cards diminish, so if you want to miss a meeting, go ahead, that gives the rest of us a better chance to win.

There are only 47 cards on the table that is all that is left between you and the pot.

Rotary is dedicated to six areas of focus to build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

Promoting peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

Fighting disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

Providing clean water, sanitation, and hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

Saving mothers and children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

Supporting education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

Growing local economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community

At our age, what
would you rather have,
Parkinson's or
Alzheimer's?

Parkinson's. Better
to spill half an ounce
of scotch than to
forget where you
keep the bottle.
