A pledge to The Flag and a moment of meditation, starts our meeting. Followed by our speaker Bob McMahon as he talks about "The Cruise"

Bob talked about the Cruise he and Linda took and how he enjoyed it , but he would not want to go again, his height and the size of the boat did not match whether standing or sleeping it was tight quarters, this was a working cruise, not that the got paid for it, but with Linda helping in the galley with the dishes and Bob hauling sails it was and interesting experiment. The senery was beautiful as only a Northern New England area could be, the ship was 115 Ft long and was built in 1916. It was a two masted schooner and only sail driven with batteries used for navigation and running lights only. See pictures on page 3. Thanks Bob.

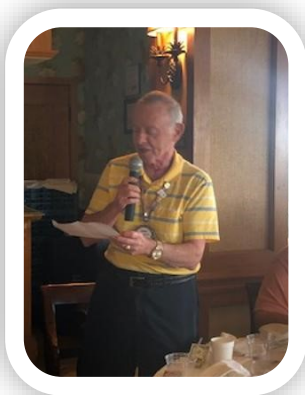

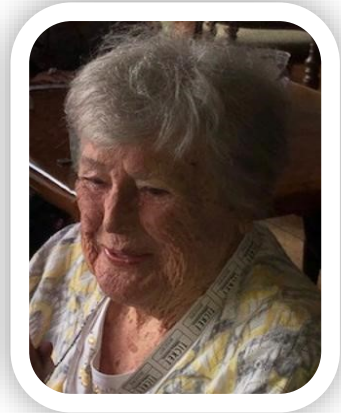

Joyce Cole was awarded an "Honorary Membership to our club and Rotary, she exemplifies what true personal giving is all about. She has been volunteering with our club for years working such projects as Dictionaries for the Fruitland Park 3 rd Graders, Easter Egg Hunt and All Pro Dads at Fruitland Park . She is the type of gal who when asked only asks back , 'when and where do you want me". Congratulations and welcome aboard, You are a shining example of what we all should strive to be.

Past President Ray receives his Past Presidents pin with a birthstone, for his leadership during the past year. Congratulations Ray.
