Our speaker today was Allica Argiz-Lyons, Development Director of Shriners Hospital for Children in Tampa. seen here as she accepts the covert “ Rotary Noon Cup”, after filling us in nicely as to The work the Shriners do an have done for the past 22 years around the world for children at their Hospitals.

Did you know that the Shriners hospital for Children started as a hospital for kids with Polio, we defiantly have a connection.

Allica talked about a young girl with brittle bone disease who at 3 years old started a foundation for Shriners Hospital , now at 17 years old Friday June 16, it is reported that the total donations will have reached 1 Million dollars.

First Hospital Before the June 1922 Imperial Session, the cornerstone was in place for the first Shriners Hospital for Crippled Children in Shreveport, La. The rules were simple: To be admitted, a child must be from a family unable to pay for the orthopedic treatment he or she would receive (this is no longer a requirement), be under 14 years of age (later increased to 18) and be, in the opinion of the chief of staff, someone whose condition could be helped. The Shriners Hospitals network is supervised by members of the Board of Trustees, who are elected at the annual meeting of the hospital corporation. Each hospital operates under the supervision of a local Board of Governors, a chief of staff and an administrator. Members of the boards are Shriners, who serve without pay. The network of orthopedic hospitals grew as follows: Shreveport, Sept. 16, 1922; Honolulu, Jan. 2, 1923; Twin Cities, March 12, 1923; San Francisco, June 16, 1923 (relocated to Sacramento in 1997); Portland, Jan. 15, 1924; St. Louis, April 8, 1924; Spokane, Nov. 15, 1924; Salt Lake City, Jan. 22, 1925; Montreal, Feb. 18, 1925; Springfield, Feb. 21, 1925; Chicago, March 20, 1926; Philadelphia, June 24, 1926; Lexington, Nov. 1, 1926; Greenville, Sept. 1, 1927; Mexico City, March 10, 1945; Houston, Feb. 1, 1952; Los Angeles, Feb. 25, 1952; Winnipeg, March 16, 1952 (closed Aug. 12, 1977); Erie, April 1, 1967; Tampa, Oct. 16, 1985, and Sacramento, Calif., April 14, 1997.

We in Rotary salute the Shriners on their good work, keep it up, a job well done and on going.

The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?

There are now 52 cards on the table, that is all that is left, between you and the pot. Every pot has a starting point.

The Job is not finished.

World Health Officials:

Polio Outbreak in Congo

Brazzaville, Congo:

The World Health Organization says two separate outbreaks of the Polio virus have been confirmed in Congo. These are the first cases of Polio in the nation since 2012. The agency says the cases have have been confirmed in two districts of Haut-Lomami province and in Maniema province. It does not say how many cases have been confirmed.
