Of the things
We think say or do**

1. Is it the truth?

Linda McMahan and Dick Kanyan visit The House of Hope, where The Rotary Club Of The Villages Noon donated funds to purchase gardening equipment, so the clients can grow their own fresh vegetables. This is one of the many projects we serve locally.

Bud tells us that with the matching funds from Bill Gates this month we helped 1,255 kids who were immunized, against Polio plus 4 other diseases. He also mention only 39 cases of new Polio in the World this past year.

This is another chance to see our own Alex Santoriello and it also in part benefits Rotary, but even if it didn't, we need to support our own, and there is nothing wrong with having a great time at the same time.

We all should get behind Alex, as he brings his Broadway skills to the Villages.

When Irish Eyes are smiling it sets your heart a glow.

Our **Ken Mc Bride** is performing here at The Villages at the Sea Breeze Recreational Center on April 1, 2017.

You all had a good time when he performed for us at the Holiday Party grab a friend and see Ken again.

Check with President Bill for Tickets

Still time to add your name.

To All Rotarians,

Just a heads up for Saturday April 8.

Once again our club will have the putting green at this event. We are in need of a couple of volunteers to help run this event.

Our team meets to set up at 9 AM and the event last till 12:30. We should be done including putting away the putting green by 1 PM. Can you help this year?

Contact by Don Maddox for more information and to sign up to help.

Comments by Dick Kanyan re Contractor Showcase

I've received a lot of accolades for the success of the Contractor Showcase & Lifestyle Show, and I thank you. Please remember that this was a total team effort. Over 50 Rotarians, spouses of Rotarians and other volunteers participated in this fundraiser and devoted well over 800 hours to make this project the success that it was.

I thank each and every one of you for your support and hard work. I hope that you had fun!
