## Roclarion

**March 26, 2019**

Our speaker today was Irving Locker, Veteran of WW2 and who was recently honored by The President of The United States, you may have seen him on TV at the President's State of the Union address . If you missed this meeting you missed a good one.

On June 6th (D-Day) He landed on the shores of Normandy at Utah Beach, as a Staff Sargent at the age of 19, he was in charge of 65 men and all of the anti-aircraft guns including the ammunition , which consisted of shells that where 3 ft tall and weighing 45 pounds each.

He not only was on Utah beach but the infamous "Battle of the Bulge" .

He talked about the "Ghost Army the Allied Army had set up in England to make the Germans think that the invasion would take place somewhere else, this consisted of inflatable tanks and trucks, as well as Anti Air Craft Guns.

He also help liberate one of the "Death Camps that were part of the Holocaust.

## He was back for a visit

## Wanda Richards

As part of President Ray's plan for us to get to know each other better, Wanda Richards took to the platform and told of her story about growing up in rural Calhoun, Georgia. How the town was so small everybody knew everybody and she felt like a big fish in a small pond.

Wanda has a Bachelor of Science Degree from Berry College in Rome Georgia and a J.D. degree in Law from Woodrow Wilson Law School in Atlanta. ( now is Georgia State Law School).

Wanda taught school on the Junior High School level. She went on to establish her own "Brandywine Ltd".

The company makes handmade wool rugs, each of unique design, she has made many for celebrities through out the United States.

This program President Ray has initiated, is a wonderful way to get to know each other better and the best way to further your education of each other is to set with different people each week.

We have well over 55 members and each as a stories that may interest you.
