Our speaker today was Bryon Lifsey, Manager of the Sumter County office of Seniors vs. Crime, he warns us to be on the lookout, for we all are under attack by scam artist everyday.

Seniors vs. Crime warns Villagers about another IRS email scam with dangerous link inside

The Primary Goal of the Seniors Vs Crime Project is to reduce the victimization of senior citizens who are often targeted for specific crimes or scams based on their age. The Project accomplishes this goal by providing various educational and crime prevention programs to senior citizen groups; investigating complaints and seeking restitution for seniors in appropriate instances and by providing investigative agencies with senior volunteers to assist them with specific investigations. The Seniors Vs Crime project handles thousands of cases for seniors every year. Since 2001 Project Offices have handled more than 39,000 cases, and recovered over \$16,000,000 in real dollars plus over \$12,000,000 in realized gain for Florida seniors. That is a total of \$28,000,000 for Florida seniors that would have otherwise been lost without our intervention!

The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?

Clean water and sanitation is a human right. When people, especially children, have access to clean water, sanitation, and hygiene, they lead healthier and more successful lives.

We don't just build wells and walk away. Rotary members integrate water, sanitation, and hygiene into education projects. When children learn about disease transmission and practice good hygiene, they miss less school. And they can take those lessons home to their families, expanding our impact.

The 2016-17 Nominating Committee for President of Rotary International has unanimously nominated Samuel Frobisher Otori, of the Rotary Club of Kampala, Uganda, to be the president of Rotary International in 2018-19. He will be [declared the president-nominee](#) on 1 October 2016 if no challenging candidates have been suggested.

Owori says he sees in Rotary "an incredible passion to make a difference." As president, he plans to "harness that enthusiasm and pride so that every project becomes the engine of peace and prosperity."

Owori's chief concerns as a Rotary leader are membership and extension. Since he served as district governor, the number of clubs in Uganda has swelled from nine to 89. He urges past, present, and future leaders to work together to engage more women, youth program participants, alumni, and community members to increase Rotary's membership in the coming years.

"There are many places which need Rotary and numerous potential members who have never been invited," he says. "The problem is Rotarians who got in and closed the doors."

Owori is chief executive officer of the Institute of Corporate Governance of Uganda. Before that, he was executive director of the African Development Bank, managing director of Uganda Commercial Bank Ltd., and director of Uganda Development Bank. He has studied law, employment relations, business management, corporate resources management, microfinance, and marketing at institutions in England, Japan, Switzerland, Tanzania, and the United States, including Harvard Business School.

Since becoming a member in 1978, Owori has served Rotary as regional Rotary Foundation coordinator, regional RI membership coordinator, RI Representative to the United Nations Environment Program and UN-Habitat, and RI director. He has been a member or chair of several committees, including the International PolioPlus Committee, the Drug Abuse Prevention Task Force, and the Audit Committee. Most recently, Owori served as trustee of The Rotary Foundation, chair of The Rotary Foundation's Finance Committee, and a member of the Investment Committee. Owori is a Benefactor of The Rotary Foundation, and he and his wife, Norah, are Major Donors and Paul Harris Fellows.

The Nominating Committee members are Sudarshan Agarwal, Rotary Club of Delhi, Delhi, India; Şafak Alpay, Rotary Club of Istanbul-Sisli, Turkey; Ronald L. Beaubien, Rotary Club of Coronado, California, USA; John B. Boag, Rotary E-Club of District 9650, New South Wales, Australia; Elio Cerini, Rotary Club of Milano Duomo, Italy; Luiz Coelho de Oliveira, Rotary Club of Limeira-Leste, São Paulo, Brazil; Frank N. This is another chance to see our own Alex Santoriello and it also in part benefits Rotary, but even if it didn't, we need to support our own, and there is nothing wrong with having a great time at the same time.

We all should get behind Alex, as he brings his Broadway skills to the Villages.

When Irish Eyes are smiling it sets your heart a glow.

Our **Ken Mc Bride** is preforming here at TheVillages at the Sea Breeze Recreational Center on April 1, 2017.

You all had a good time when he preformed for us at the Holiday Party grab a friend and see Ken again.
