Here are the Pictures I took of our zoom meeting on May 19th. Since these are photos taken of the screen of my I Pad-Plus the fact that not everyone had the greatest lighting\_ you have mediocre results. However they capture the spirit of our meeting and our desire to be all together—Albeit virtual.

Gloria Puertas was speaker and she talked about Hospice myths. She represents Vitas— a hospice provider that has been in business for 40 years in some 13 states.

Editor's note I think Jerry did a great job and my apologies for not being there.

Still active , still doing “The Rotary Thing” Sorry if this info is to late maybe we both should have been there for virtual meeting.

**See you next week, when our Speaker will be**
