Here we go again , it's time for another and most important Habitat For Humanity Build. This one is for the new Veterans Village. We are to be working with The Villages Evening Club as well as the Leesburg Morning Club. The dates are May 30th which is a Saturday and June 3rd which is a Tuesday. The times are the same 8AM till 1PM. It might be wise to car pool . Please let our own Danielle Stroud, know if you can make it. We have a commitment on this one.

The Four Way Test
Of the things
We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?

Dwight D. Eisenhower

Motivation is the art of getting people to do what you want them to do because they want to do it.

What the Heck is Rotaract

If you have not heard one of the projects our club is considering taking on in conjunction with two other Rotary Clubs is a Rotaract Club. A Rotaract Club is for adults 18-30 (mostly College Students) that come together and with help from a or in this case a couple of Rotary Clubs come together to form a club with the same values as Rotary.

They take on projects and raise funds just like a Rotary Club, under the supervision of a student advisor as well as a Rotary advisor. I encourage you if you are interested to go to the Rotary International site and check it out further.

What's involved?

Rotaract clubs decide how to organize and run their club, manage their own funds, and plan and carry out activities and service projects aligned with causes that are important to your community. Rotary club sponsors offer guidance and support and work with the club as partners in service.

Celebrate the global impact of Rotaract by getting involved in:

- World Rotaract Week
- Rotaract district and multidistrict events
- The Rotaract Preconvention Meeting
- The Interota conference
- Rotary Day at the United Nations
- Global Youth Service Day

Learn more about these events and how to get involved in the [Rotaract Handbook](#).

The Rotaract Club of Bugolobi worked alongside local doctors, schools, and the Uganda Health Marketing Group to provide everything from school supplies to comprehensive medical screenings, dental exams, and HIV testing and prevention education to over 1,000 residents of a nearby village.
