Our speaker today was Dr. Vivian J. Woodard M.D. and she came to talk to us about Shingles, not the kind for your Roof but the virus shingles that attack the body. We were told that there is a 99% chance you have the shingles virus, if you are over 50 and that 1 in three people will get shingles in their lifetime.

There are 1 million cases of shingles in the United States every year. Yet shingles it self is not contagious , however the shingles virus can be spread from a person with shingles to one who has never had the chickenpox or has never been protected against chickenpox.

The only way to prevent shingles is to get vaccinated, if you were vaccinated in the past with Zostavax , we know that the effectiveness wears off over time and was only effective in persons over 60 years of age 51% of the time with effectiveness dropping as we age . There is a new vaccine on the market, it is a two shot process that has an effectiveness of 91% if you are over 50. If you want protection from the shingles virus or more info go to:

**KnowShingles.com or contact Dr. Woodard
at 352-259-1991.**

Past President Bill lead us in prayer and Alex reminded us he will fine you if you are talking while others are talking. Courtesy is not dead it is just forgotten sometimes.

President Donny starts us off with the song and pledge as we wait for the speaker to talk to one of the biggest crowds of the season, thanks to the wives and guest that filled our halls with smiles.

Treasurer Kriss has the checkbook ready, if Secretary Don sells the winning ticket, and our resident story teller has a appropriate story for our guest.

**The Four Way Test
Of the things**

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?

Do you have some of these, if not see our membership Chairman or President, you could be inviting a future President.

The Pot Grows and the cards diminish, so if you want to miss a meeting, go ahead, that gives the rest of us a better chance to win.

There are only 48 cards on the table, that is all that is left between you and the pot. Today the drawer was the two of Clubs was drawn, not the Joker, the Joker is waiting for you to start over again next week.

Over \$104.00+ up still up for grabs

Arthur Stucklen has had a bad case of bronchitis and could use some cheering up, send a card or give a call or see about stopping by and visit. I would call first though. His phone is 914-886 – 2001 address 702 Vista Place. Let him know we miss him and tell him to get well soon.

If you are not feeling well or are going in the hospital for any reason, let us know!!!

We are family and we do care.
