

FLORIDA USA

The Villages–Noon Roclarion

An Award Winning Publication

November 14, 2017

Thank You to our Speaker Alexander Warmka, Fl. Dept. of Agriculture and Consumer Services.

The Florida Department of Agriculture and Consumer Services supports and promotes Florida agriculture, protects the environment, safeguards consumers, and ensures the safety and wholesomeness of food. Our programs and activities are so varied and extensive, they touch the life of just about every Floridian.

Here are some of the many ways we are working for you:

- We protect Florida's livestock, honey bees and crop plants from pests and diseases.
- We promote Florida's 300 agricultural commodities across America and around the world.
- We help farmers implement best management practices to conserve water and prevent water pollution.
- We assist businesses and residents in the safe and proper use of pesticides.
- We manage over a million acres of state forest land for multiple uses, including timber, wildlife habitat and recreation.
- We fight wildfires to protect lives and property.
- Through regulation and mediation, we safeguard consumers from unlawful and deceptive business practices.
- We're the state's clearinghouse for consumer concerns. Our call center analysts answer questions, provide information and help resolve complaints.
- We assist Florida's schools in serving more than a million healthful meals each day, providing our students with the sustenance they need to succeed.
- We inspect grocery stores and convenience stores for cleanliness and safety.
- As Florida's lead agency for food safety, we analyze more than 15,000 food samples each year. Our scientists test for toxins, allergens, chemical contaminants, pesticide residues, food additives and fraudulent formulations.

This is only a small portion of the services we offer. This website will tell you much more about the work that we do. We're here to help. If you need direct assistance,

Do you know these people? Some are ready to become members and some are regular attendees. They are missing you , they would like to meet you.

**The Four Way Test
Of the things**

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?

The Pot Grows and the cards diminish, so if you want to miss a meeting, go ahead, that gives the rest of us a better chance to win.

There are only 46 cards on the table that is all that is left between you and the pot, as Alex draws the wrong card , the Joker is waiting for you to start over again next week.

**Over \$100.0 up for
grabs**

Christmas is coming

It's time to remember those who treat us so well.

Linda Pisani, our server will be receiving a Christmas Bonus from our club.

If you would like to also thank Linda, with a personal Christmas gift.

Starting November 21st, there will be a basket on Kriss's table with a **red bow**. You may place your personal gift in the basket and we will see to it that it gets passed on when we present our Club thanks, to Linda.

Linda goes above and beyond to help each of us, through out the year, now is the time of year to say **thank you**.

Congratulations "Bud" Mangels on receiving your Paul Harris + eight, you can be proud of all the good that has produced over the years..

What the heck is Camp Boggie Creek?

If you have ever asked yourself that, be prepared to get your answer, as the Rotary Club of The Villages "NOON" plans a day trip some upcoming weekend to see what it is all about. Watch for times and dates in upcoming newsletter and E-Mail. For your information the club donates every year to Camp Boggie creek.
