## Roclarion

## November 26, 2019

A stellar job was done by Past President Bill, followed by an inspiring reading by Jeremy Difiore before getting to our speaker Christi Eisenberg who enlightened us on the Guatemala Literacy Project, which is a network of Rotarians and CoEd that improves education for underserved students in Guatemala. Why Guatemala? It exhibits one of the most extreme combinations of systematic poverty, illiteracy, and inequality in the hemisphere. Four out of five indigenous Guatemalans live in poverty and one in three cannot read or write. The Guatemala Literacy Project is made up of a network of Rotarians and Cooperative for Education (CoEd), with a common interest in improving education for underserved students in Guatemala. ## Welcome Back

It sure was good seeing two of our fellow Rotarians back in the fold, both Dean and Jim have been through a lot lately and we are happy to see them up and semi mobile and still able to smile.

## The Four Way Test

Of the things

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?
