Our speaker today Eric Bougman , Attorney and fellow Rotarian, receives the “Coveted Cup” from President Donny, in appreciation of his talk and explanation of the Constitutional Revision Commission and you .

In simple terms the Florida Constitution, is a contract between Florida Residents and the State of Florida. One of the major things it list, is the rights of the Florida residents: such as The right to Privacy, Homestead, Right to work, access to the court systems, tax payers bill of rights, the rights of accused victims, freedom of speech and the freedom of the press, as well as access to public records and meetings.

These are just a few, of the many things that the Florida Constitution describes in detail. On a side note the US Constitution has been amended 17 times the Florida Constitution 29 times.

A note from Speaker: Thank you again for the warm welcome and permitting me to speak yesterday. I had a great time! I have some follow up information:

First, if any of your members would like to follow the work of the Florida Constitution Revision Commission, you can do so at the CRC’s website: www.flcrc.gov. You can also watch on tv at The Florida Channel or visit The Florida Channel website.

Second, I would very much appreciate it if folks would take a few minutes to complete a very short survey here: tinyurl.com/PFDaudience.

If you have any questions at all, please don’t hesitate to contact me directly. Thank you!

**The Four Way Test
Of the things**

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?
