Our Speaker today was Glenn Mather seen here receiving word he is on the way to the moon as a thank you for a great presentation.

He telss us about his program and how it all began

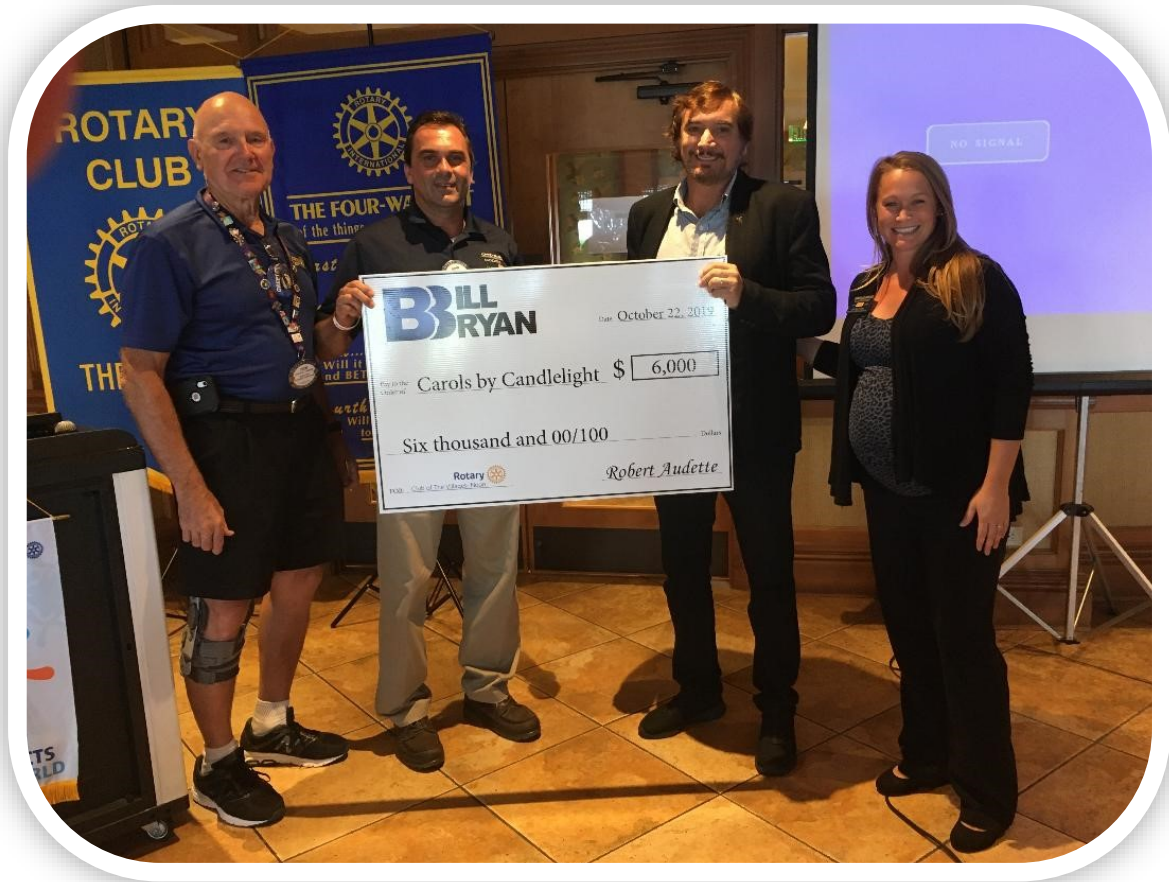

There are an estimated 100 million people worldwide who need mobility and cannot afford a wheelchair. Some rely on family members to carry them from room to room, others drag themselves through the dirt and many others aren't even that fortunate.

**Chair The Love was created to change that**

From its inception in 2015 and through its 501(c)3 designation in 2017, Chair The Love has been helping provide wheelchairs and other mobility related items and services to those in need in Central Florida and throughout the world.

Over the last 18 months, through the help of volunteers and supporters, Chair The Love was able to accomplish the following:

- Delivered 100 Wheelchairs to be distrubted locally through the Center for Independent Living
- Built a ramp to create accessibility for a local wheelchair recipient
- Delivered wheelchairs to various individuals through Orlando Health and Florida Hospital locations
- Provided Longwood Elementary with a wheelchair for their clinic
- Supported th National Veterans Wheelchair Games
- Delivered over 500 wheelchairs to needy recipients around the world
- Committed to over 500 wheelchairs to be delivered in 2018
