Our speaker today was Nehemiah Wolfe, Division Chief for Community Watch here in the Villages. Mr. Wolfe had been with the Sherriff's office in Sumpter County and helped to establish the guide lines for The Community Watch Program that we have in place today

The “Coveted Cup” , is presented by Past President Bill in appreciation of his time spent with us today.

What is Community Watch?

Welcome to The Villages! Regardless of whether you are a year-round resident, a seasonal resident, or a visitor to our community, you will quickly realize that The Villages is a very unique community. The way your District Government operates to provide services and maintenance in our community is also very unique. Your District Government is made up of several different departments that all work together as a team to ensure quality services to our residents and visitors.

Community Watch is a division of The Villages Public Safety Department. We are on-duty 24 hours per day, 365 days per year. Our mission is to provide a safe community for our residents and visitors by being the watchful eyes of the community. Although we are not a law enforcement agency, we work very closely with the local law enforcement agencies that service The Villages community. As an “observe and report” agency, Community Watch plays a vital role in deterring crime and assisting law enforcement to solve crimes when they happen.

Although our primary responsibility is to be the “watchful eye”, Community Watch has evolved into so much more as our community has grown. Community Watch serves the residents and visitors of The Villages by providing assistance in four disciplines:

- Patrols
- Dispatch / Communications Center
- Gate Attendants
- Gate Operations

To find out more about the duties and responsibilities of these areas, please take a moment to explore our webpages.

Community Watch is also vital to the overall District Government operation. We work closely with the other District Departments to assist them in providing their functions and services. Over 35% of the service actions performed by Community Watch personnel during FY 2016 were related to assisting other District Departments. Community Watch also preforms home checks upon request for a small fee, many “snowbirds” take advantage of this program every year.

**The Four Way Test
Of the things**

We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?
