Doug Miintz introduces our speaker of the day, Vickie Griffith Technique Professional, a speaker and has been featured radio and TV show guest, not bad for a shy , fat , unhappy teenager to a accomplished speaker. She takes us through her journey to the Vickie she now is and shows us some of the easy to implement tools that stop the habits that unbalance our lives today.

Her infectious enthusiasm and deceptively low key approach makes for an informative and pleasant leaning experience.

Our appreciation is seen here as Presidnet Ray presents her with our cup of thanks for a very enjoyable and potentially life changing talk.

For more information on Vickie go to : vickiegriffith@break-through.org

A pledge lead by President Ray, A Moment of Reflection by Past Pres Bill, and a Joke by Jerry ,can you thing of a better way to start our meeting?

USCGFR is a great opportunity to enjoy Rotary fellowship and golf at the same time. The tournament is played over three days (54 holes); two day play is also offered. Golfers are placed in divisions by handicap. There are gross and net score national champions. Stableford scores are used for division awards.

- Play challenging and different courses
- Sharpen your game with friendly competition with golfers of a similar skill level in handicap divisions
- Travel to different venues in the U.S. & Canada and meet Rotarians from all over North America and the world
- Compete for prizes and awards
- Develop new and lasting friendships
- Exchange home-and-home golfing with other members
- Compete in individual and team competition
- Players of all levels are welcome
- Sightseeing and shopping tours available for non-golfers
- Members receive the annual newsletter and access to a directory of members and their contact information.

Once you come to one, you won't want to miss any in the future.

The Four Way Test
Of the things
We think say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?

The Pot Grows and the cards diminish, so if you want to miss a meeting, go ahead, that gives the rest of us a better chance to win.

There are only 27 cards on the table, that is all that is left between you and the pot. Today the draw was not the Joker, the Joker is waiting for you to start over again next week.

Donny looks for the Joker and picks the Jack of clubs, still waiting is the Joker.

Sorry Donny.
