## Roclarion

**September 25, 2018**

### **Today was Club Assembly Day**

Bob Bredin, Chair of Youth Services, gives us an update on the RYLA Program and The All-Pro Dads program , as well as setting the date for the Dictionary project for Oct 17, With a Label paste in the book on the 16th The Lake College Scholarships for GED and Vocational Scholarships .

If you did not bring in your contribution to every Rotarian every year or you Change for Polio this week , Bud Mangels said it is ok to bring it in next week . It would be nice to hand over a big pot when the DG is here.

Tracy Belton talks about the District Grant program is working, project being looked into are Cleft Palette and clean water and the possibility of helping build a high school in Ethiopia , as well as money for Habitat for Humanity.

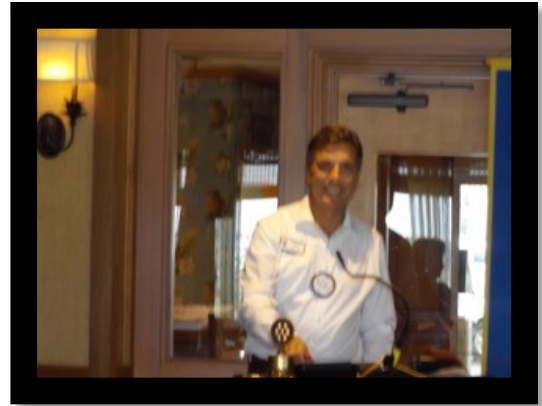

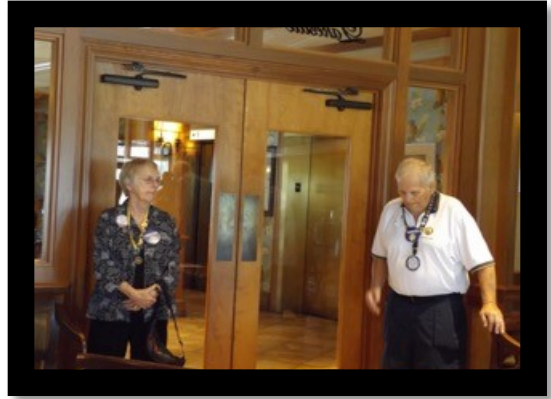

Dick Kanyan talks about the upcoming rack card and the Contractors Showcase wich are are two of our biggest fundraisers. We need everybody to roll up sleeves on this as well as December's Carols By Candlelight Show. We then broke down to committees to get to work. Rack Cards 8 committed and 8 Participants, we need more work on this.

**He is back, what a great treat to see Hank back in the fold, a very emotional time for all. For those of you who don't know Hank , he is a fifty five year Rotarian and a veteran of WW2, serving with the Dutch Resistance. Was responsible for saving a number of American Airman, who were shot down on missions over Germany.**

**He is the most senior member of our Club.**

## The Four Way Test

Of the things

We think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better Friendships?
4. Will it be beneficial to all concerned?
5. Will it be FUN?
