Looking very Presidential, President-elect Ray Levy lead the meeting as if he had been doing this all his life.

After the meal he turn the mike over to Mr. Richard Kanyan for an update on “Belk Days” fundraiser , Dick passed out tickets for us, to get our friends evolved. He also reminded us the “Rack Card “ program is fast running out of time, we were really put behind the “Eight Ball” by the storm, so do what you can fast and contact Dick...

Past President Bill , stepped forward to give us the details on the Pancake breakfast which is fast approaching. We need to make theses programs work, to be able to do, what we want for the community.

Next up to the plate was “Bud” Mangels who reminded us if it is your Birthday Month you owe him \$100.00 for The Rotary Foundation. He also mentioned the fact that we (Rotarians) have been working on Polio Eradication since 1979.

Bud also mention that Hank has donated \$12 Euro Dollars to the club, if you willm be traveling to Europe soon talk to Bud and you can help the club and yourself, nom transaction fee involved.

Lastly but not in order of appearance, Alex Talked about Carols by Candlelight, one of the biggest chance to raise some money for Rotary, not to mention have a great time { see brochure on page 9}. ## **Random Thoughts.**

“When I gave my farewell address.....I said that the United States did not invent human rights— —That human rights invented America. I still have that feeling. Within us, we have the capacity and the idealism and the history to be a super-power.” Former President Jimmy Carter

## **Millions have been committed to ending Polio.**

### **But our work is just beginning.**

We are on the brink of eradicating polio. As of the end of July, only 8 cases were reported this year, the lowest number in history. Every time a new case is identified, it could be the last one in the world.

Now, we're even closer. At the Rotary Convention in Atlanta in June, Nations from around the world and key donors pledged \$12 Billion to energize the fight against the disease.

And in August The United Kingdom added its own pledged of 130 Million .

The new funding will go toward Polio eradication efforts, such as disease surveillance, responses to any outbreaks, and the vaccination of 400 Million children annually.

While donors have pledged the money to shrink the funding gap. Rotary's work continues. As part of the Pledge, Rotary has committed to raising \$50 million per year over the next three years, an amount the Bill and Melinda Gates Foundation has committed to matching 2\_to\_1. We need to raise money to ensure that we take advantage of the full Gates match and pressure governments to come through on their commitments
