President ray welcomes District Governor Ron Janssen to our club as he brings us a message and a challenge to “be the Inspiration”, this is a challenge not just words put to a theme.

Governor Ron also talked about polio and although we are getting near the finish line, we still have a ways to go, I quote him “**we are not going to stop till the job is done**”, in Rotary we don’t leave projects half done.

He also gave us insights into one of the upcoming for Rotary International Projects, one of which is to put clean running water in the Country of Haiti. To look towards starting Rotary Community Corps., as well as talked about the problem of bullying in the schools and how it has led to young people committing suicide.

This years Rotary Conference will be in Orlando and will focus on leadership development and both professional and personal growth. Might just be worthwhile to attend.

Our newest member and an old friend , it just doesn't get any better than this, for this Rotary Club.

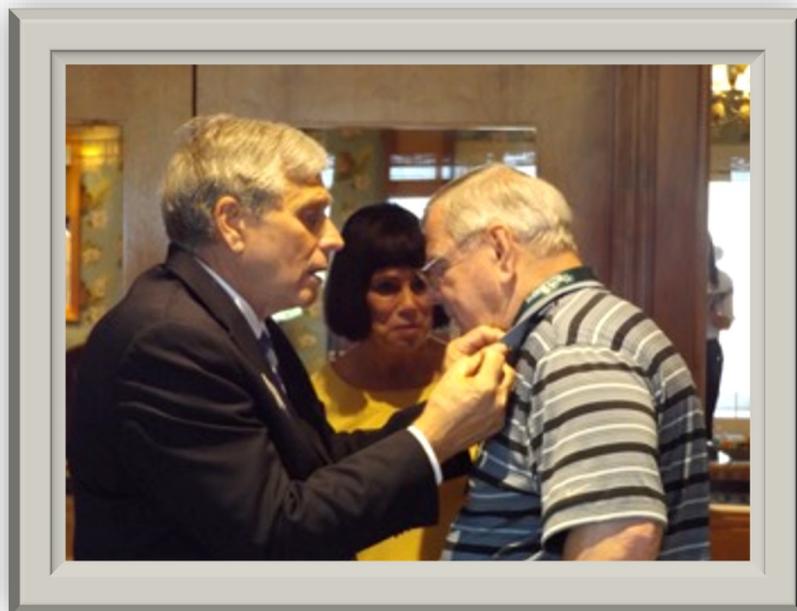

Welcome home Rex Dugan

Tad Thompson holds the induction ceremony like a pro , as the District Governor and President Ray stand by.

Our newest Paul Harris Fellow is Mick Hall seen her being inducted into the with his 4TH Paul Harris. Congratulated by President Ray and Pinned by District Governor Ron Janssen. The contribution will help in many ways.

Ask not what Rotary can do for you— but what you can do for Rotary

**The Four Way Test
Of the things
We think say or do**

- 1. Is it the truth?**
- 2. Is it fair to all concerned?**
- 3. Will it build goodwill and better Friendships?**
- 4. Will it be beneficial to all concerned?**
- 5. Will it be FUN?**

The Pot Grows and the cards diminish, so if you want to miss a meeting, go ahead, that gives the rest of us a better chance to win.

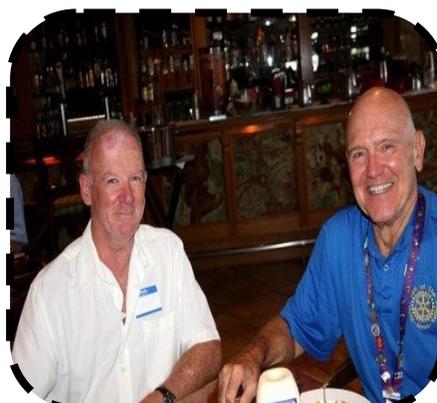

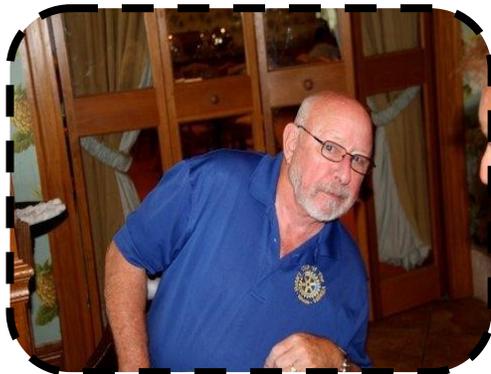

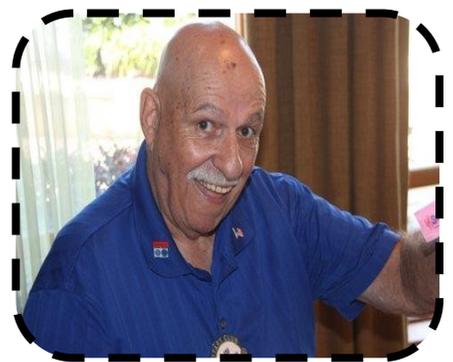

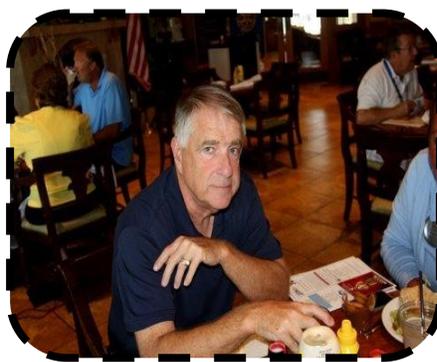

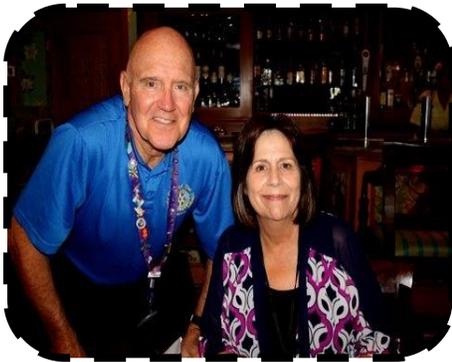

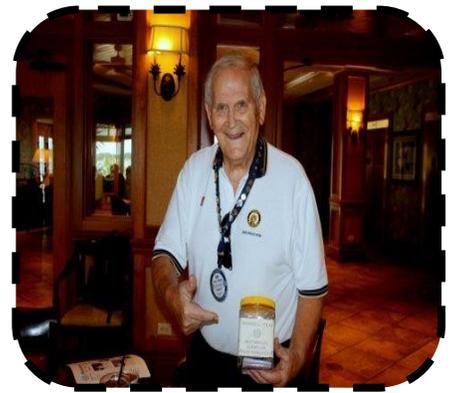

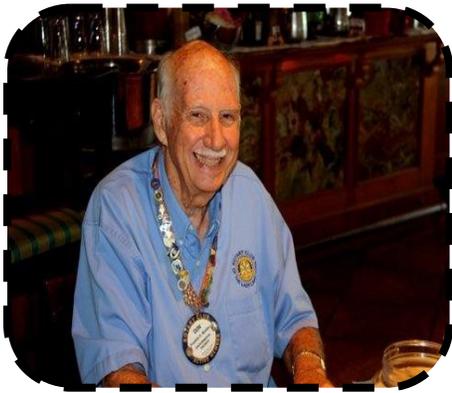

There are only 29 cards on the table, that is all that is left between you and the pot. Today the draw was not the Joker, the Joker is waiting for you to start over again next week.

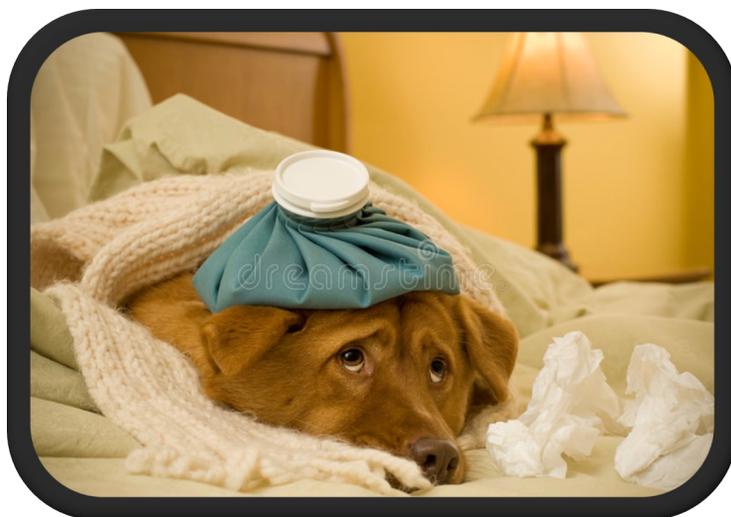

UP Over \$474.00 still up for grabs

Jerry is back and looking good, no walker ,no cane. Arthur is back in fine form. Pat Kanyan sight is improving and she is getting ready to do garage sales once again. All is well from all I have heard. Let's hope it stays that way.

**If you or a member of your family are not feeling well
or you or a family member is going in
the hospital for any reason, let us know!!!**

We are family and we do care.
