

### The Villages-Noon Roclarion

**An Award Winning Publication** 

September 26, 2017

Our speaker today was Marie Bogdonoff who is a Polio Survivor, at the age of three she was diagnosed with Polio which paralyzed her from the waist down. She was paralyzed for about 6 months. She had a 98% recovery, although it gave a limp. The rest of the story is that at age 40 she had weakness and other symptoms that the many trips to many Doctors who at the time were unable to diagnose, until she found one Doctor who was studying Polio, was able to recognize that she had "P.P.S." or Post Polio Syndrome. With spirit and determination she is able to walk with arm crutches but the cold weather up north was not kind to her and she moved to The Villages.

As we all do, she looked for was to occupy herself, and as sports were not really in the picture, she got involved with raising money for disabled veterans. She started Villages for Veterans Organization, she has raised over 1/2 Million Dollars. Her organization provides wheelchairs, crutches and other mobility items for the vets and she has also set up session where the vets can get help with "P.T.S.D".

Marie was truly inspiring if you missed the meeting I am sorry for you, as it was truly a story of what one person can do when they put their mind to it.

## The Four Way Test Of the things We think say or do

- 1. Is it the truth?
- 2. Is it <u>fair</u> to all concerned?
- 3. Will it build goodwill and better Friendships?
- 4. Will it be <u>beneficial</u> to all concerned?
- 5. Will it be FUN?

Dear Rotary Club of the Villages Noon Members,

To support the cause of eliminating polio from the face of the earth, our club and several others in the area are joining forces to support World Polio Day. Our board has decided to cancel our regular meeting at noon on Oct 24th to attend this evening event on the same day. Please see attached flyer.

The event will be held at Cody's in Brownwood OCT 24th from 530-7pm, but feel free to come and go as you like. Cody's will provide the food, space and music at no charge and only asks that we purchase a beverage (or two) of choice, alcoholic or non-alcoholic. We also ask that attendees bring a \$5 donation for our Rotary Foundation's Polio Fund.

This will be a great opportunity to meet Rotarians from other clubs to fellowship, and also raise money and awareness for a great cause.

Best,

Donny P. Abraham, RN, MBA, FACHE

Rotary Club of the Villages Noon P. O. Box 152 Lady Lake, FL 32158

Dear Rotary Club of the Villages Noon,

We did it! In the month of July, we received an anonymous donation of \$5000. This generous donor tasked the community to a match. So, we launched the 31-Day Giving challenge. Thanks to your generous support of \$250.00, along with other community members and businesses, we were able to hit that milestone! Your gift provides critical support to raise awareness for human trafficking (HT), as well as providing survivors with much needed services.

Raising awareness and providing education about this heinous crime helps community members to identify the signs of human trafficking, and helps to prevent them from becoming victims themselves. The Lifeboat Project also focuses on empowering survivors by collaboratively providing wrap-around services, such as permanent housing, haven homes, counseling, healthcare, Legal Services, navigators/case management, education opportunities, and more.

Please keep this written acknowledgement of your donation for your tax records. The Lifeboat Project is a 501c3 non-profit organization, EIN# 45-5412556. Your contribution is tax deductible to the extent allowed by law. No goods or services we provided in exchange for your generous donation.

On behalf of all of us at The Lifeboat Project, thank you again for participating in our July Community Giving Challenge and for your generous gift!

Best Regards,

Jill Bolander Cohen
