## A Job Well Done

I am sure that I , as well as the entire Rotary Club Of The Villages Noon would like to express their thanks to Richard Kanyan, better know as “Dick” and I am also sure that also goes to all who participated in making the “Contractors Show Case and Life Style Expo “ a great success.

In spite of a bad hand and a bum foot Dick, coordinated and over saw, one of the clubs best Showcases ever.

Many hands were on board and were on hand Friday night and Saturday to help Dick pull off this event.. It was well attended and well maned as well as being warmly appreciated by the Vendors.

Again our thanks go out to Dick and all the Rotarians that help to put the project together and that also includes spouses that stood side by side with their spouses .

## Thanks for Your Support

## 38<sup>TH</sup> NATIONAL VETERANS WHEELCHAIR GAMES

### WHAT?

Attracting more than 600 athletes each year and 4,000 volunteers, the National Veterans Wheelchair Games is the largest annual wheelchair sports event in the world. A multi-event sports and rehabilitation program for military service Veterans who use wheelchairs for sports competition due to spinal cord injuries, amputations or other neurological disorders.

### WHEN & WHERE?

**JULY 29 – AUGUST 4, 2018**

All events will take place in the Orlando area.

### WHY?

The Orlando VA Medical Center and Paralyzed Veterans of America Central Florida Chapter are committed to improving the quality of life for Veterans with physical disabilities and fostering better health through sports and recreation. Over the years, the Games have produced a number of national and world-class champions. However, the event provides the opportunity for newly disabled Veterans to get involved and push further than they thought possible. Typically, one quarter of the competitors are new to the Games.

### OUR EVENTS:

Competitive events at the National Veterans Wheelchair Games include swimming, table tennis, weightlifting, archery, air guns, basketball, boccia, nine ball, softball, quad rugby, bowling, handcycling, trapshooting, wheelchair slalom, power soccer, a motorized wheelchair rally, and track and field. Athletes compete in all events against others with similar athletic ability, competitive experience, or age.
