PEOPLE OF ACTION

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We recently worked with various partners on the following projects:

- Donated items to support women and children in Ukraine; club members volunteered to help in Warsaw Poland
- Together for Real Changes supporting the rural areas of the Country of Georgia with wellness visits and food
- Early Head Start expansion providing equipment and materials
- Free Little Pantry food supplies for the pantry located at The Gathering Place
- Blankets for those staying at the People's City Mission
- Glasses to be distributed through eye clinic in Kenya
- Eradicating Polio in the World

GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our members have found that it's a truly rewarding experience.

My membership in Lincoln South Rotary Club has allowed me to give back to the community that has been so supportive of me, my company, my family and friends. - Kay Wunderlich

I love that every Rotary Club is empowered and compelled to help in their own communities, because they know the needs and how they can help. Local clubs helping their neighbors but with the impact, power, and resources of a huge international organization that gives them greater reach and influence. - Clay Ehlers
