# What is Rotary?

Rotary is a worldwide organization of business and professional leaders who provide humanitarian service, encourage high ethical standards in all vocations, and help build good will and peace in the world.

Rotary is a service club. Our business is humankind. Our product is service. Rotarians provide community services to local, national and international communities. This is perhaps the best reason for becoming a Rotarian: the chance to do something for somebody else and to sense the self-fulfillment that comes in the process and return of that satisfaction to one's own life. It is richly rewarding.

Founded in Chicago in 1905 by Paul Harris, Rotary has over 1.22 million women and men belonging to 33,000 clubs in more than 200 countries.

## Our Causes:

- Promoting Peace
- Fighting Disease
- Providing Clean Water
- Supporting Education
- Saving Mothers and Children
- Growing Local Economies
