What are your goals & expectations for participating in our program?

Definition: To sponsor means to support Breckenridge Mountain Rotary Club (BMR) either financially or through the provision of products or services. Sponsorship, unlike philanthropy, is undertaken with the expectation of a return (e.g., logo placement, speaking opportunity, exhibit space, etc). The sponsorship support and return can each be fulfilled either in cash or in kind. Sponsorships do not include instances where BMR is paying for goods or services and as part of the contract price receives some kind of recognition or discount.

Criteria & Exclusions: Sponsorship requests will be evaluated to ensure that they are aligned to the mission and values of BMR, do not create an ongoing dependency, and do not promote a particular religion or political viewpoint.

Thank you so much for your support! We will review & respond to this request within 2 business days.
